

# **MOVE OVER. IT'S THE LAW.**

South Carolina law requires drivers to reduce speed and, if safe to do so, move over into an adjacent lane when passing stationary emergency vehicles, including tow trucks and recovery vehicles.

## **FIRE.**

## **RESCUE.**

## **POLICE.**

### **Move left for stopped emergency vehicles.**

SC was the first state to enact a "Move Over" law in 1996. Now, all 50 states have a "Move Over" law.
